Always remember that...

- 1. Respect is the number one rule in sports.**
- 2. It's not your fault.**
- 3. When somebody treats you badly and hurts you it is abuse (bad use) of power.**
- 4. Every person has their own role.**

When you look inside you, don't forget that...

- 5. Your body is yours and you can say "No."**
- 6. Some secrets can hurt you.**
- 7. Sports should make you feel good.**

We want to protect you...

- 8. Don't get cut off: participate in all the teams in your life.**
- 9. Talk, think, decide and don't keep quiet.**
- 10. And above all, take the first step: Ask for help!**

We want to be a big team to get rid of all the bad things in sports. And we want you in it!

Your happiness is our biggest reward.
